HOME PAGE

This is the home page of NITC Online Education System. Users are redirected to this page as soon as they open the website. All the information regarding login and registration is shown here. Students using the website for the first time need to register by entering appropriate details.

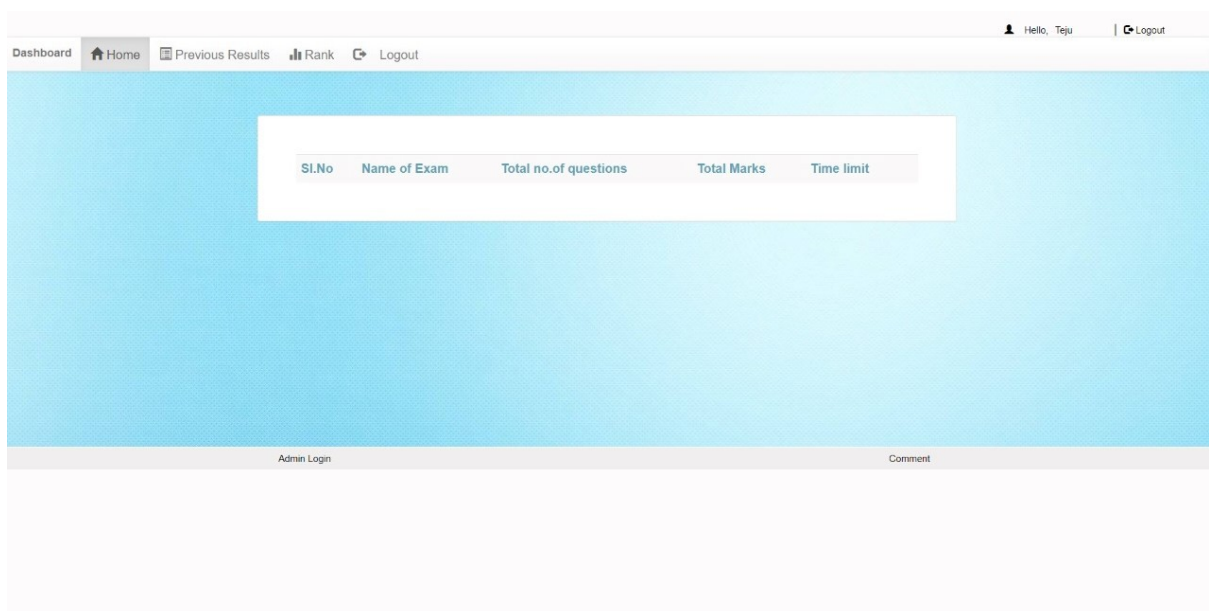

SIGN IN PAGE

Once the registration is done, user will be asked to login by entering valid username and password.

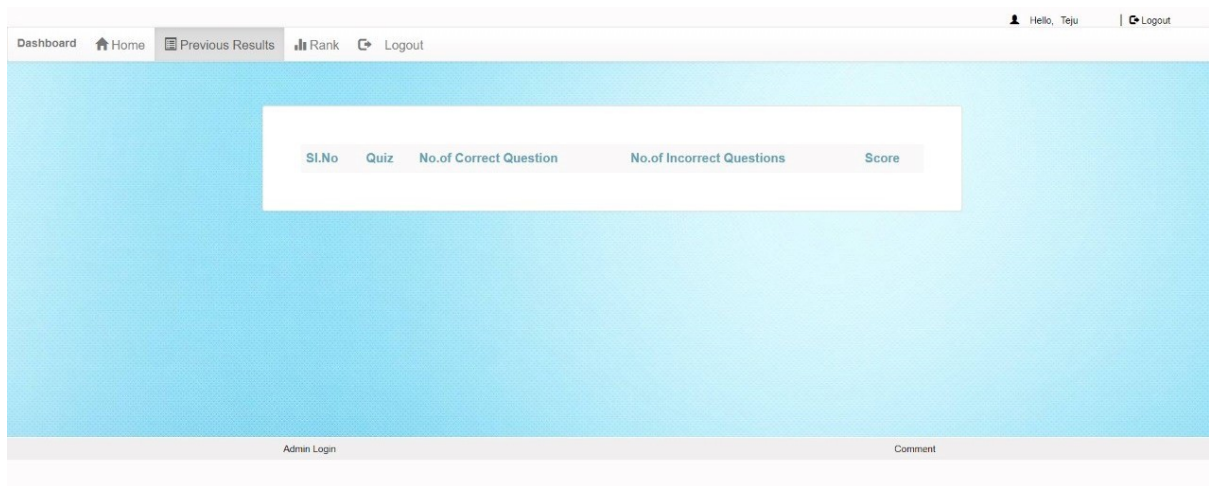

HOME PAGE

Students will be redirected to their profile where they can check out the exams available and every detail regarding the exams will be shown here. They can choose an exam and attempt it by clicking on “take test”.

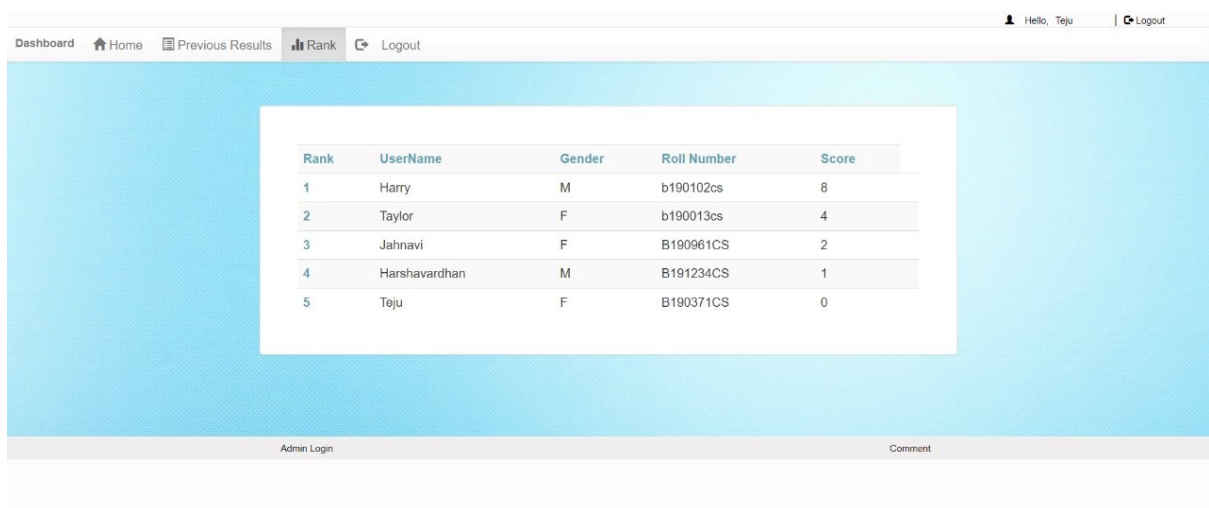

Students will be able to view the results of their previous exams, the number of questions answered correct and wrong along with the score.

Sl.No	Quiz	No. of Correct Question	No. of Incorrect Questions	Score
-------	------	-------------------------	----------------------------	-------

Ranking of the students who attempted the test and their details is shown here. User will be able to view the rank of other students too.

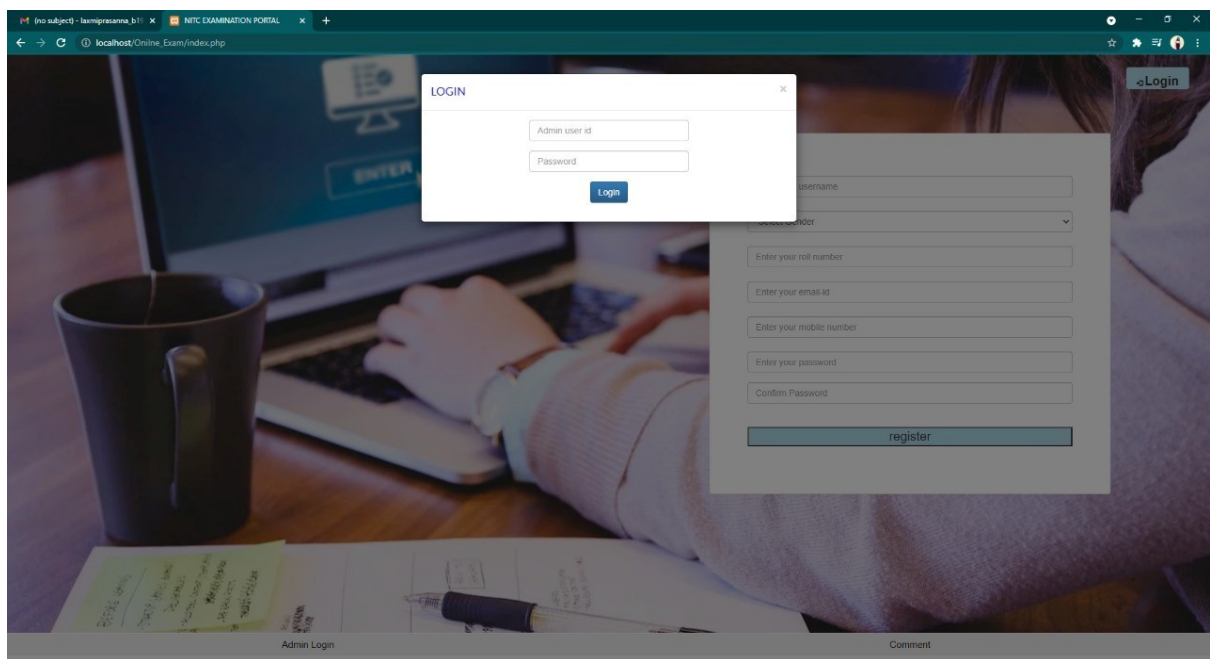

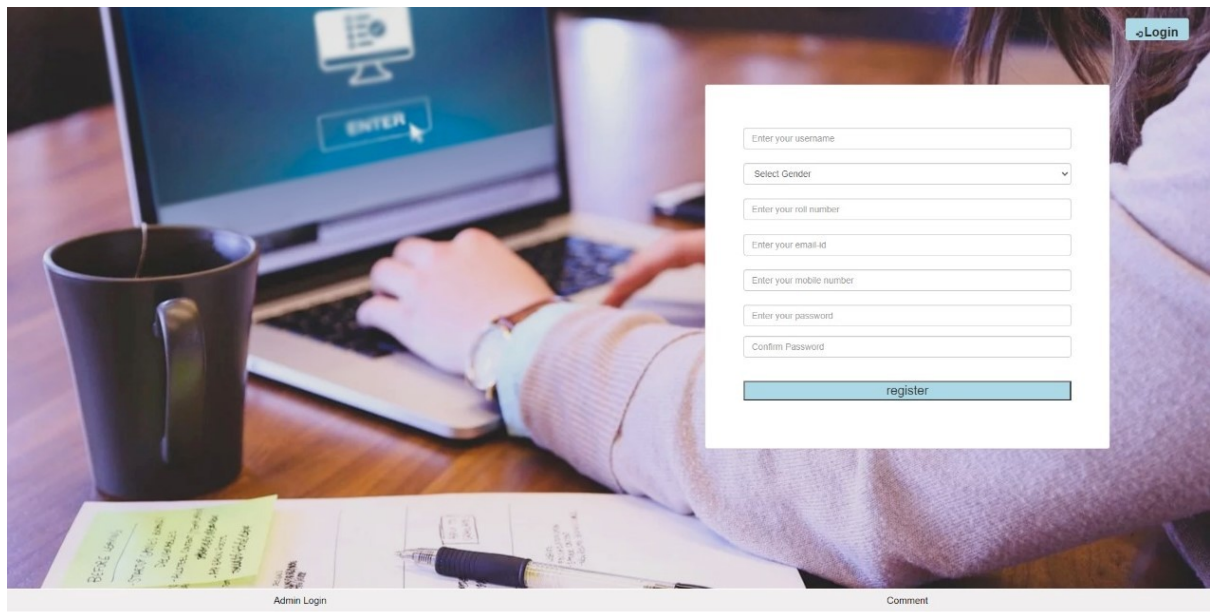

Users can log out using the “logout” option on the home page. They will be redirected to sign in page again.

Rank	UserName	Gender	Roll Number	Score
1	Harry	M	b190102cs	8
2	Taylor	F	b190013cs	4
3	Jahnavi	F	B190961CS	2
4	Harshavardhan	M	B191234CS	1
5	Teju	F	B190371CS	0

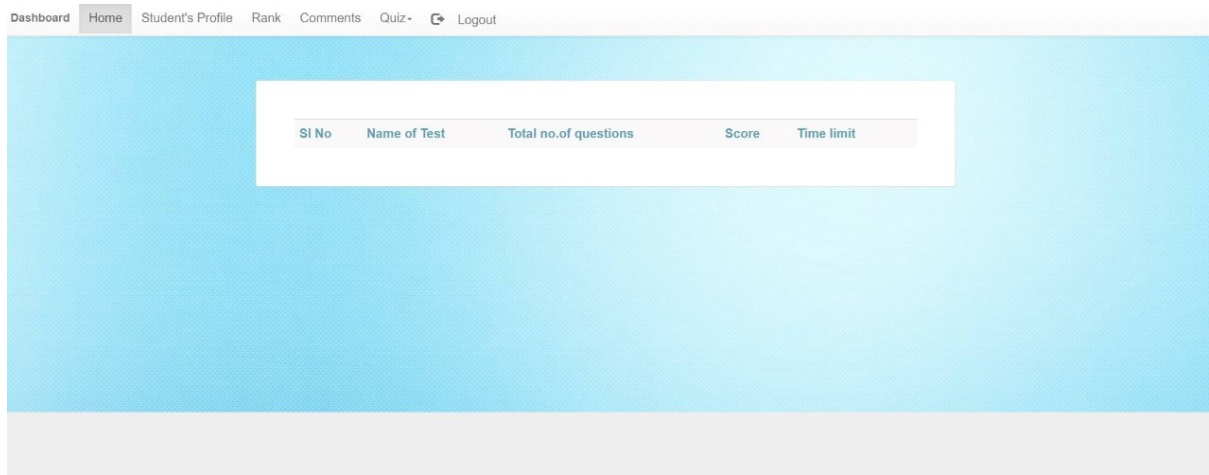

ADMIN LOGIN

Administrator can login by clicking on the admin login option at the bottom of the sign in page. Admin has to enter login id and password and he will be taken to home page for admins.

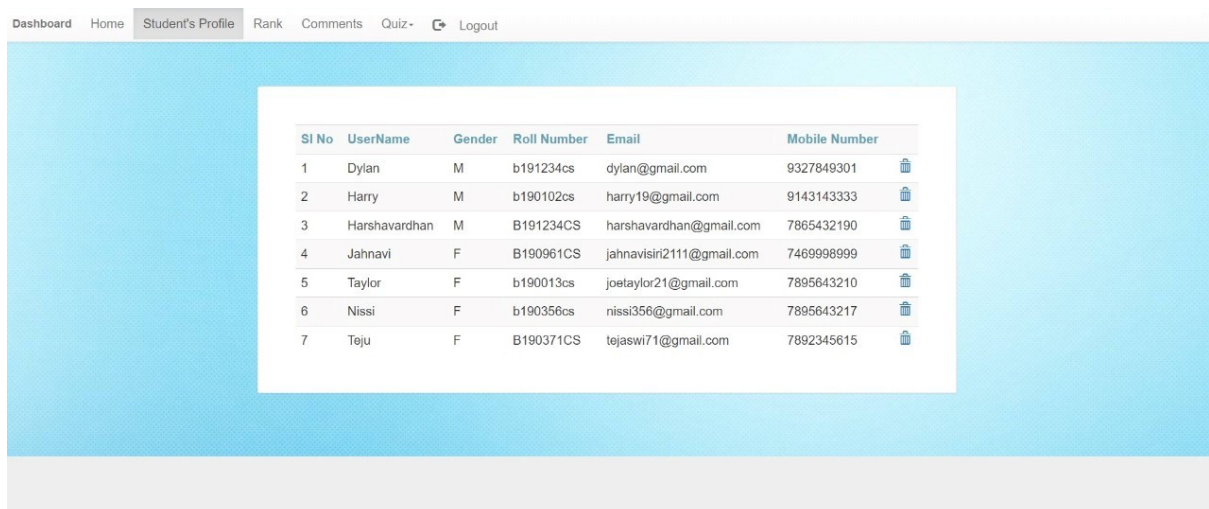

ADMIN HOME PAGE

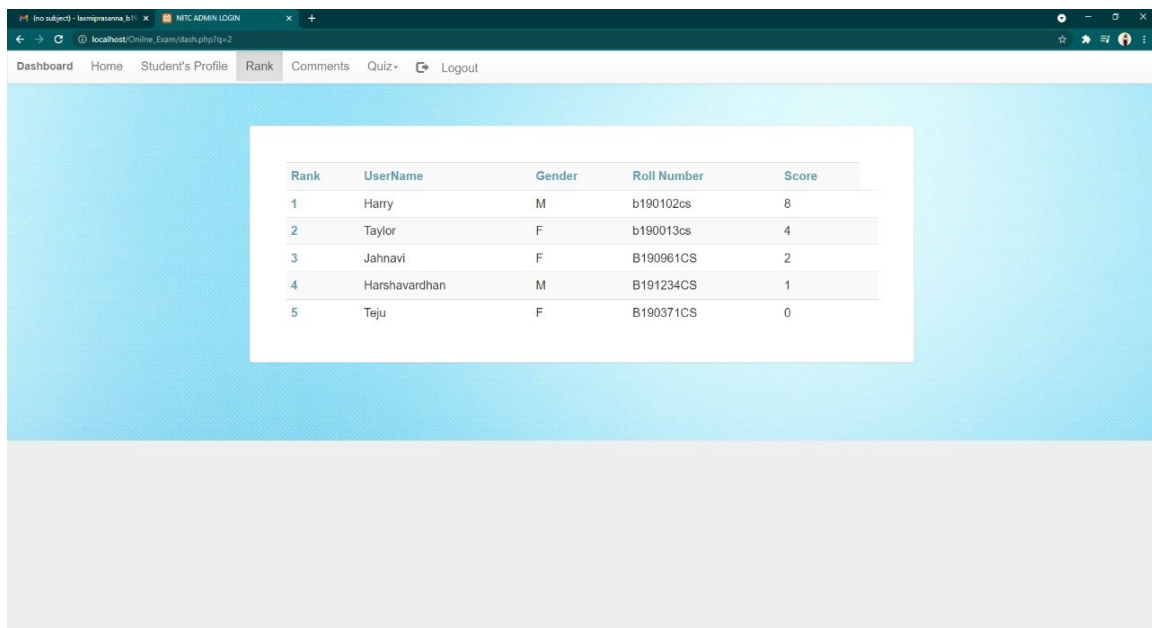

Admin can view the list of exams available and details related to exams on the home page.

Admin can view every student's profile which includes all their personal details.

Admin can click on rank column to check the ranking of all the students who attempted the respective test.

Administrator can either add or remove test by going to quiz column. Details regarding test like name of the test, questions ,time limit are to be entered by admin in order to add a test.

The screenshot shows a web browser window with the URL `localhost/Online_Exam/dash.php?q=4`. The page has a navigation bar with links: Dashboard, Home, Student's Profile, Rank, Comments, Quiz, and Logout. The 'Quiz' link is highlighted. The main content area is titled 'Add Test' and contains the following form fields:

- Name of the Test
- Enter total number of questions
- Enter marks on right answer
- Enter minus marks on wrong answer without sign
- Enter time limit for test in minute
- Description

An 'Add' button is located at the bottom right of the form.

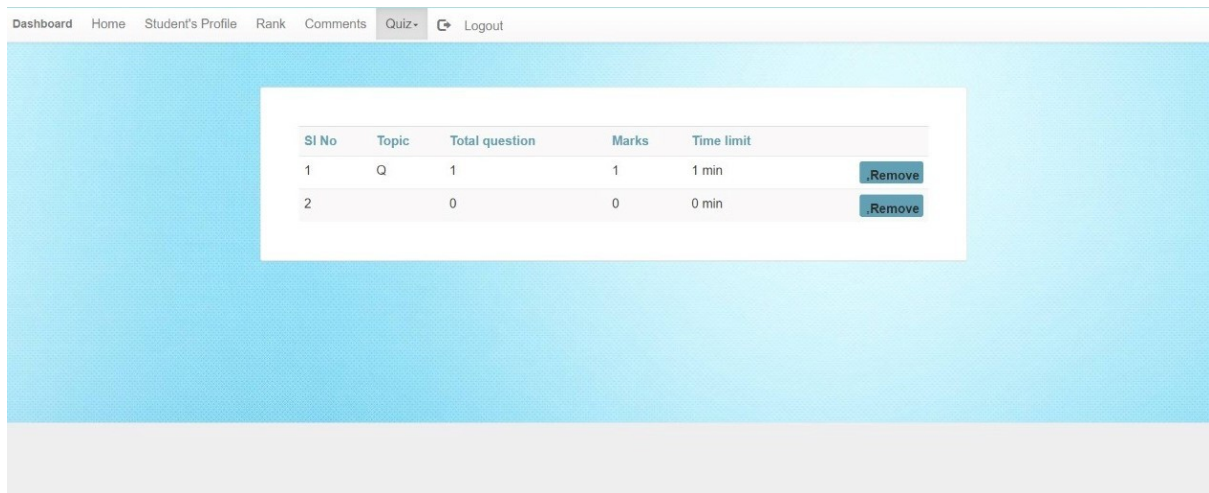

After specifying the details of the test, admin needs to enter questions and the correct answer of each question along with the other options.

The screenshot shows the 'Enter Question Details' form. The navigation bar is the same as in the previous screenshot. The main content area is titled 'Enter Question Details' and contains the following form fields:

- Question number 1 :
- question number 1
- option a:
- option b
- option c
- option d
- Correct answer:
- Select answer for question 1

A 'Submit' button is located at the bottom right of the form.

Admin has the option to remove test in the quiz column. He can make any changes to quiz details in this section.

In case of any feed back or queries, user can click on the comment section at the bottom of sign in page and enter their name and email and can fill in the feedback box.
